

Dear Senator Padilla,

As your constituent and an AARP member, I urge you to not cut Medicare benefits ... instead, take action to save money by supporting legislation that will force the drug companies to cut its outrageously high prescription drug prices. As a first step toward lowering prescription drug prices, I urge you to support legislation that would allow Medicare to negotiate for lower drug prices and to stop drug companies from keeping their competitors from bringing lower-priced drugs to market. I also urge you to cap the total out-of-pocket costs that seniors spend on drugs. These commonsense steps would help make sure that Americans don't continue to pay the highest prescription drug prices in the world and seniors can afford the drugs they need. Americans have paid into Medicare and Social Security over their lifetimes, and they count on these two programs for a secure retirement. Do the right thing, and act in the interests of your older constituents.

Sincerely,

(see attached list of petition signers)

Dear Senator Feinstein,

I urge you to act now to cut prescription drug prices for seniors and all taxpayers. As a first step, you should support legislation that will allow Medicare to negotiate for lower drug prices and to stop drug companies from protecting their monopolies by keeping their competitors from bringing lower-priced drugs to market. These commonsense steps would help make sure Americans don't continue to pay the highest prescription drug prices in the world.

Sincerely,

(see attached list of petition signers)

Dear Senator Padilla,

I urge you to ... oppose any attempt to cut Medicare benefits or shift higher costs to older Americans ... fight back against the increasing cost of prescription drugs ... and protect and strengthen Social Security. Older Americans count on programs like Medicare and Social Security for a healthy and secure retirement. Seniors should not be forced to choose between their medicines and basics such as food. Do the right thing, and act in the interests of your older constituents.

Sincerely,

(see attached list of petition signers)

Dear Senator Padilla,

As one of your constituents and an AARP member, I urge you to ... strengthen Medicare and oppose any attempt to cut these benefits ... update Social Security to ensure that older Americans receive 100% of the benefits we have earned ... and fight back against the rapidly-increasing cost of prescription drugs.

Americans have paid into Medicare and Social Security over their lifetimes, and they count on these two programs for a healthy and secure retirement. And seniors should not be forced to choose between the medicines they need to enjoy active lives and basics such as food. Do the right thing, and act in the interests of your older constituents.

Sincerely,

(see attached list of petition signers)

Dear Senator Padilla,

As one of your constituents and an AARP member, I urge you to ... update Social Security to ensure that older Americans receive 100% of the benefits we have earned ... strengthen Medicare and oppose any attempt to cut these benefits ... and fight back against the rapidly-increasing cost of prescription drugs. Americans have paid into Social Security and Medicare over their lifetimes, and they count on these two programs for a healthy and secure retirement. And seniors should not be forced to choose between the medicines they need to enjoy active lives and basics such as food. Do the right thing, and act in the interests of your older constituents.

Sincerely,

(see attached list of petition signers)
